

Get Set For Prep Group

Is your child attending Prep in 2022?

The transition to Prep is a significant milestone for you and your child. At *Tools 4 Life* we understand preparing for the first year of school can seem like a daunting task.

We are here to help!

Tools 4 Life has designed a program to support children prepare for the Prep classroom. An Occupational Therapist and Therapy Assistant will deliver the program. The group will run for 1 hour, once per week for 10 weeks.

What will my child learn?

Our group program covers:

- Whole body listening.
- Following the group schedule.
- Following the group rules.
- Listening and following instructions.
- Organising school belongings.
- Asking for help at school.
- Social skills for playing in a group.
- Pre-writing skills.

A *Prep for Prep Pack* will also be provided to take home at the end of the group.
